Invite, Invite, Invite! Use this opportunity to grow your business! I have hired an assistant to personally hand out more than 100 fliers for this event at our wedding expo being held on Sunday, Jan. 27, 2019.

I will continue to promote this event till the event is over. This event is tailored to all brides, the brides mother, the grooms mother, their grandmothers & the bridal party. This event is designed to empower these ladies to leave feeling beautiful from the inside out! I want all brides to feel beautiful on their honeymoon and every day afterwards in addition to their wedding day. I want their VIPS to feel that way as well.

A receipt will be returned to you on the next business day.

Note: All vendors must promote "our" vendor show by posting fliers created by Celebrations Unlimited in your home town. Fliers will be mailed to you when vendor spots are filled. I am asking all vendors to invite your fb family & friends, personal family & friends, share news of the event by clicking like and share button when you see Barb Truax, Celebrations Unlimited promoting "our" event on her personal fb page.

I am creating these events to help you build your clientele and grow your business as I am growing mine. If we all take part in promoting all "our" events you will find that we are sharing our contacts with each other and increasing your sales.

Together we make all our events a total success!
